

AIYO, WHAT ARE YOU DOING?

WHY DON'T YOU INSTALL A DRAWER FOR EASIER ACCESS?

I WANTED TO, BUT THE WALKING SPACE IS TOO NARROW FOR A DRAWER.

BLUM SELLS SINGLE EXTENSION RUNNERS THAT ARE PERFECT FOR NARROW WALKING SPACE.

ONE WEEK LATER AFTER VISITING BLUM..

FINALLY NO MORE KNEELING AND DIGGING FOR STUFF FROM THE BACK!

INDEED! THE RUNNERS ARE SO SMOOTH, AND IT CAN WITHSTAND UP TO 30KG!
